

NORTH PENN WATER AUTHORITY CUSTOMERS:

ANNUAL HYDRANT FLUSHING

Our Annual Flushing Program will begin on April 2nd and run through May 21st, weather permitting. Here is a full list of tentative dates and locations:

April 2nd through April 19th

Lansdale, Hatfield & New Britain Boroughs
Hatfield & New Britain Townships

April 19th through May 14th

Skippack, Worcester, Lower Salford, Salford,
Franconia, & Towamencin Townships

May 7th through May 21st

Sellersville Borough

May 14th through May 21st

Souderton Borough
Hilltown & East Rockhill Townships

Flushing is done at night between 8:00 p.m. and 4:00 a.m. and during the day between 8:00 a.m. and 3:00 p.m. As a result, some customers may notice discolored water and/or lower than normal water pressure. If discoloration occurs, run cold water for 10 minutes or until water clears up.

Annual inspection and flushing of fire hydrants increase public safety by ensuring that hydrants will function when necessary and also improves water quality.
